

## Hearts still come unto Me (Matthew 11:28)

On **May 22, 2008**, the Church of Diago, Mali, was born. Praise God! The village chief was among them, and since I told them it was important to gather to read the **Bible**, and pray, he said they'd gather in his home every Wednesday morning. People gathered back together just to hear more about the one who had healed them. I clearly presented the Gospel to them and asked who wanted to know this Jesus, give their lives to this Jesus, and follow Him the rest of their lives. Many hands went up, and I asked them to come forward. **About 200 people came** – young and old, men and women – and **prayed, dedicating their lives** to the One and only Almighty God of heaven and earth.

I thank you for the material support rendered so far, particularly for the **Bible Pathway** book which has transformed my mind. Through one year daily morning devotion and **Bible** study, I have been revived and can testify that I am no longer the same. This has led me to form *The Winning the Lost at Any Cost Evangelism Team* ministry. The program of this ministry is to move from province to province, village to village, in remote areas of the nation to preach the Gospel to the lost souls (Matthew 24:14). During our evangelism from March to April, **573 have given their lives to Jesus**. September 12-13, 2008 is our next crusade and we sincerely ask for your support.

Dear Friends

Drove to a small town on the Guatemalan/Mexican border near Camaja Grande. In the 5 days of outreach we saw 584 patients. In all, **17 came to receive Jesus** and all were ministered to by the team through medicine and prayer. It was a tremendous opportunity to share the love of Jesus.

Our Mighty God, who **is no respecter of persons** (Acts 10:34), will use any one of us who is willing to be used by Him. We thank all our supporters who have given of themselves to help us reach around the world with His life-saving message.

Following is a letter from Living Faith Ministry, Kumasi, Ghana, West Africa. A few years ago someone sent us \$15 (the postage has gone up since then) to send a **Bible** and *The Best of Bible Pathway* to Alfred Williams, the church secretary. Perhaps it was you!

**A Letter From . . .**

*Living Faith Ministry*

Please, we need your help in this ministry and it's about the Holy Bible. We have just a single Bible in this ministry used by everyone here. Everybody needs a Bible to study and know more about our soon coming King, but because of our poor standard, we cannot afford to buy the Bible. Now some of the pages in our Bible are torn. This ministry contains 58 members who concentrate on coming to church. So please, I am writing to you today for your help. I hope you will not fail us because you are our only contact.

# Go unto this people. . . . Preaching . . . those things which concern the Lord Jesus Christ (Acts 28:26-31)

Our mission is to train others to teach others (II Timothy 2:2). God gives The Revelation. Man provides the Presentation. **Many lives have been transformed, and are saved, because of your Bible and Bible Pathway commentaries.** Thousands of church leaders have not been able to read through the **Bible** for years. The general overseer of Jesus Peoples Church, Pastor Ngome Jacoba Kolle has recommended these books be used by all his pastors for their spiritual maturity. These testimonies are from just a few of those who we have already trained. Many have received Christ, trained and are able to teach others who now need **Bibles and Bible Pathway**. We are eternally indebted to you for your continuous support to Bible Pathway Christian Bible Training Center. Africa still needs the Light of the Gospel. We need your help for more **Bibles and Bible Pathway**.

Dear Dr. Hash  
 I thank my Lord for knowing Rev. Evangelist Bine Linus Ngome of the Bible Pathway Christian Bible training center, the center, which is today called the International Bible School, Africa for Christ Missions.

I was once handed a copy of one of your **Bibles and Bible Pathway** which I am still using up-to-date. I have read through the **Bible** for three years.

As District Pastor, I did recommend **Bible Pathway** devotional commentary to my fellow coworkers. I am therefore writing to plead to you that I need your material assistance to assist my pastors growth in the knowledge of God. Your books are very useful and helpful to our ministry.

Pastor Hash

I was more than merry when Rev. Pastor Bine Linus Ngome gave me a copy of the **Bible** and the **Bible Pathway**. It was a big blessing, especially the **Pathway** devotional from Genesis to Revelation. It helps me preach and teach daily in the church.

It will help to tell others the importance of the Bible. I believed, repented, and obeyed the Gospel (I Corinthians 15:1-4). Do prayerfully consider to send me more copies of the **Bibles and Bible Pathway**.

Dear Brother Hash

I was very happy when Rev. Pastor Bine Linus Ngome gave me a **Bible** and the **Bible Pathway**. This **Bible Pathway** is very important, first because it helps me read through the **Bible**, and second it facilitates my preaching daily.

Concerning how I received my salvation – I heard The Word, believed it, repented of past sins, and was baptized in the name of Jesus Christ by immersion.

I promise to be your fellow helper telling people how important it is to read the **Bible**. Kindly send me some copies of the **Bible** and **Bible Pathway** to distribute to my workers in the church.

Beloved Brother Hash

I received the **Bible** and **Bible Pathway**. These books are helping me to preach and teach every day to the body of Christ. Thank God for the devotional guide. I will be very pleased to have more to distribute to the deacons and elders of my ministry, especially the out-reach ministries.

I believed and I was baptized (Acts 13:38 - Romans 6:4). I graduated from the Bible Pathway Christian Bible Center.

I want to praise and thank God for your good work. I received a **Bible** and **Bible Pathway** that are really helping me preach and teach The Word. I will be very active in helping tell others how important the Bible is.

I believed, repented, and was baptized (Mark 16:15-16). Elders in my congregation need copies of the **Bible** and **Bible Pathway**. God bless you all.
